After 4 years as Chairman of MMV’s Board of Directors, in November 2015, Mr Ray Chambers, the United Nations Secretary-General’s Special Envoy for Financing the Health Millennium Development Goals and for Malaria, stepped down, entrusting the role to MMV’s Vice Chair, Mr Per Wold-Olsen. The appointment of Mr Wold-Olsen as Chairman was ratified by the Board of Directors. Mr Chambers will continue to serve on the MMV Board as a non-Executive Director.

1. Mr Per Wold-Olsen, former President of Human Health Intercontinental Region, Merck & Co., Inc, joined MMV’s Board in 2008 and has been Vice-Chair since May 2013. Mr Wold-Olsen holds an MBA and has extensive global leadership experience and knowledge of the healthcare industry from his many years in the pharmaceutical industry. His extensive expertise encompasses product development, commercialization, and developing world and access issues.
